**STIPULATED REQUEST TO AMEND THE APPLICATION AND TO DISMISS THE
OPPOSITION WITHOUT PREJUDICE UPON ACCEPTANCE OF THE
AMENDMENTS**

Pursuant to an agreement between the parties, and with Opposer's consent, Applicant hereby amends the identification of goods and services for the above-referenced applications as follows:

International Class	Identification
09	Downloadable software in the nature of a mobile application that allows businesses to provide order information, product and service information, and marketing and promotional information to their customers and clients, excluding software for online networking ; Downloadable software in the nature of a mobile application for event planning and event management, excluding software for online networking .
42	Providing online non-downloadable computer software for creating, managing, tracking, and measuring online marketing campaigns, excluding software for online networking ; providing online non-downloadable computer software for creating, scheduling, and distributing electronic mail communications, newsletters, announcements, and promotions between businesses and

	consumers, excluding software for online networking ; providing online non-downloadable computer software for analyzing and reporting of others' customer and sales data, excluding software for online networking ; providing online non-downloadable event planning and management software, excluding software for online networking .
--	--

Applicant submits that this amendment is proper and merely restricts the existing recitation of services. Therefore, the marks will not need to be republished in the *Official Gazette*.

The parties further agree that upon entry of the amendments requested herein, the Opposition be dismissed without prejudice.

Respectfully submitted,

Applicant HoneyBook, Inc.
